The same owners have loved and meticulously maintained this beautiful ranch for 46 years and are now ready to pass the keys. Gorgeous wood floors greet you at the door and a lovely living room with large windows creates a timeless style. The updated kitchen is a show stopper with crisp white cabinets and handsome granite countertops. The primary bedroom offers a private bath and 2 more generous bedrooms share a hall bath. Step down to the lower level with a cozy family room, 4th bedroom, 1/2 bath and 2 car garage. The new maintenance free screened in porch and deck is a fantastic extension of living space. Spend this summer on the supersized patio that is ready for cornhole tournament or basketball game. This fantastic home is positioned perfectly to shopping, schools & restaurants. This one will not last long!
