Marketing Remarks: Enjoy the peace and beauty of country living on 2.4 gorgeous acres with picturesque views of neighboring fields and grazing cattle. Step inside to a bright, open-concept living space where the living room, dining area, and kitchen flow seamlessly together, highlighted by beautiful new flooring. Soaring vaulted ceilings add to the spacious feel, while the cozy wood-burning stove creates the perfect gathering spot on chilly winter evenings. The classic white kitchen is both beautiful and functional, featuring a stylish tile backsplash, center island with seating, and a large pantry for plenty of storage. The private primary suite offers a spacious full bath, while two additional perfectly sized bedrooms share a second full bath. Outside, there's room to spread out and enjoy the peaceful setting, abundant wildlife, and wide-open country views. A large machine shed provides exceptional storage along with a dedicated workshop complete with its own wood stove--ideal for the hobbyist, craftsman, or anyone needing space for equipment and projects. Enjoy the privacy and tranquility of country living while still being just minutes from town.
